Tommy O's Playhouse in Hazelhurst, Wisconsin

Moon Over Minocqua is a romantic comedy that proves the aphorism that the course of true love never does run smoothly. Geraldine Peterson loves her husband but wants the finer things in life. Geri leaves Eric to find a better life in Minocqua, Wisconsin. Along the way she meets some interesting characters and learns that everything on the Internet, as in life, is not necessarily what it appears to be. After several misadventures and complications, can true love win out in the end?

Tommy O's Playhouse has undergone lots of interior changes, not only to make the theater look nicer but to enhance the viewing pleasure for the audience. With their upgraded sound system and improved acoustics, we will not miss a word of this hilarious performance.

Lunch at Paul Bunyan's Northwoods Cook Shanty will be included prior to the performance. Paul Bunyan's ALL-YOU-CAN-EAT meals are memory-makers with the 1890's logging camp artifacts and fixtures, great food, and fun family service.
