

LAMBEAU'S LEGENDARY STADIUM & PACKER HALL OF FAME

Wednesday, August 23
Green Bay, Wisconsin

Green Bay is the smallest city to host a National Football League team. Founded in 1919, the 13-time National Champion Green Bay Packers are the only NFL team to be owned by its fans.

Our day will include a Legendary Stadium tour of Lambeau Field, the Green Bay Packers Hall of Fame, the Packers Pro Shop and a broasted chicken lunch buffet.

The Legendary Stadium Tour is a two hour long, half-mile walking tour. Our tour will go from the Harlan Plaza where the statues of Curly Lambeau and Vince Lombardi reside, through the Atrium, up to the Club Level for an exclusive look at the private boxes, club seats and the Legends Club, to the hallowed turf of football's most famous gridiron. This tour also includes the Press Box, the stadium premium levels and a visit to the visiting team locker room.

The relocated and renovated Hall of Fame is 25,000 square feet of pure Packers adrenaline where we will see, touch and feel over 80 years of riveting history. There are 77 exhibits featuring Packers fans, the Ice Bowl, the four Super Bowl trophies, plaques of all the members of the Packers Hall of Fame, today's team, and even a re-creation of Vince Lombardi's office.

Time is planned to visit the Packers Pro Shop. This two-story shop with over 2,000 individual items is a unique place to simply visit. The Pro Shop has a refurbished 1957 Packers Chevy pickup on display, along with authentic helmets from all 32 NFL teams and framed, authentic jerseys from some of the team's Hall of Famers.

New fans, old fans, young fans – there is something for everyone on this tour to Lambeau Field, the Packer Hall of Fame and the Packers Pro Shop.
